

AMENDED IN ASSEMBLY APRIL 27, 2011

CALIFORNIA LEGISLATURE—2011–12 REGULAR SESSION

ASSEMBLY BILL

No. 1041

Introduced by Assembly Member Ma

February 18, 2011

An act *to amend Section 40240 of*, to repeal Section 40243 of, and to repeal and amend Section 40207 of, the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

AB 1041, as amended, Ma. Vehicles: delinquent parking violations: video imaging.

Existing law authorizes the City and County of San Francisco (San Francisco), until January 1, 2012, to enforce parking violations in specified transit-only traffic lanes through the use of video imaging evidence and authorizes San Francisco to install automated forward-facing parking control devices on city-owned public transit vehicles for the purpose of video imaging of parking violations occurring in transit-only traffic lanes. Existing law requires a designated employee, who is qualified by San Francisco, to review the video image for determining whether these parking violations have occurred and to issue a notice of a parking violation to the registered owner within 15 days of the violation. Existing law requires that the video image records be confidential and available only to public agencies to enforce parking violations.

This bill would make the above-described provisions permanent and would *redefine “transit-only traffic lane” as any designated transit-only lane on which use is restricted to mass transit vehicles, or other designated vehicles including taxis and vanpools, during posted times.*

The bill would also delete the prohibition that video images captured pursuant to these provisions shall not be transmitted wirelessly and would make other technical, nonsubstantive changes to those provisions governing the content of a delinquent parking violation.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 40207 of the Vehicle Code, as amended

32 15 days after the information was first obtained.

33 (f) Notwithstanding Section 6253 of the Government Code, or
